

Journal - Office of Legislative Counsel
Monday - 25 January 1965

Page 3

25X1 8. [] Met with Miss Phyllis Green, Appointment Secretary to Senator Gaylord Nelson (D., Wis.), who indicated that she would like to follow up on the Senator's visit out to the Agency. See Memorandum for the Record.

25X1 9. [] Delivered to Miss Varda Barnes, Assistant to Senator Frank Church, a draft reply for the Senator to use in answering a letter from [] concerning []
25X1 Miss Barnes said the draft reply was completely acceptable, but queried whether the Agency could reply to such a request by letter rather than by draft. I told her that the Agency could, of course, reply by letter to the Senator, but that we are able to cover more ground in a draft than we probably would be able to do in a letter.

While I was there, I renewed my acquaintance with his Legislative Assistant, Jerry Brady, who, among other things, showed me some of the "bad mail" the Senator has been receiving as a result of his recent LOOK article concerning the "Far Right."

25X1 10. [] Together with [] and Mr. Richard J. Kerr, met with Mr. Darrell St. Claire, Chief Clerk, Senate Foreign Relations Committee, and concluded arrangements for installation and use of visual aids for the briefing on Tuesday, 26 January.

Later in the day, I accompanied [] Office of Security, and processed clearances for T&H for Mr. Carl M. Marcy, Chief of Staff; Mr. Pat M. Holt and Donald G. Henderson, Consultants to the Committee; and Mr. Darrell St. Claire, Chief Clerk. I received from Mr. St. Claire a key to the Committee room so that I will be able to admit our security people at 8:00 a.m. in the morning to check the room and set up the monitor before the briefing.

25X1 11. [] Met with Miss Mao, Assistant to Congressman Ogden Reid (R., N. Y.), and reviewed with her proposals relating to amendments to the Immigration and Naturalization Act. Miss Mao requested that I come by in the morning and meet with her and Congressman Reid on the proposals. Since the items have previously been discussed with the Congressman, I expect that this will be nothing more than a few minutes' conversation on this final go around on the changes contained in Mr. Reid's proposed bill. ✓
